

2017 Russian River Valley Chardonnay

The 2017 Russian River Chardonnay is a blend of Rued clone grown on our Quail Hill Vineyard and Clone 4 from Sweeney Vineyard. A green-gold color in the glass, this wine offers vibrant aromas of jasmine flower, orange zest, honeydew and wet stone. A stunningly bright entry on the palate with fresh acidity leads to notes of quince, persimmon and fresh crushed gravel. The elegant structure leads to a clean finish with notes of Bartlett pear and lemon-lime.
