ESTATE

Juvé & Camps is indisputably the worldwide leader of Gran Reserva Cava. This family-owned, 100% estate-based producer is revered in Spain for its painstaking focus on quality and sustainability, and its important role within the country's conversation on fine wine in general. A winegrowing family for over 200 years, in 1921 Juvé started producing the first sparkling wines under their name. They have been pioneers in the viticulture and production of Cava since then and, today, while Gran Reserva only accounts for 2% of all Cava production, it remains the focus of the estate.

WINE

Originally developed for the United States and now as popular as Reserva de la Familia, Juvé & Camps' flagship rosé is made from 100% Pinot Noir. Following the "Méthode Traditionnelle," it is aged for 15 months in the bottle. Categorized as 'Brut' with only 8g/l of dosage, it is intense, fresh and exuberant with aromas of bright red fruits

VINEYARD

Farming: Crafted exclusively from certified organic Pinot Noir grapes from the Espiells vineyards, Juvé family's original estate.

WINEMAKING

Variety: Pinot Noir 100%

Fermentation: The grapes are hand-harvested, gently the whole-clusters are destemmed, crushed and macerated at low temperature for 6 to 12 hours, depending on the vintage. This cold soak maceration adds depth and subtle color, as well as enhance the Pinot Noir red fruits aromas. Our winemaker selects the lots that meet the right balance of color and flavors for the final blend. Only the wine obtained from the free-run juice is bottled, the one that retains the most delicate fruit aromas.

Aging: Following the traditional method, bottles are laid down in the underground caves for a minimum of 12 months, where they will refine effervescence and develop its refreshing, vibrant character. Only 8g/L dosage is added after the disgorgement to this dry cava, to showcase of the Pinot Noir fruit in its purest form.
