## Napa Valley Estate Zinfandel 2018

Napa Valley, California

### ESTATE

Chateau Montelena's history is one of the deepest and most storied in the Napa Valley and California. Founded just north of Calistoga in 1882, it was one of the largest wineries in the state. Prohibition put an end to Montelena's winemaking, and the next major era began in 1968, when Jim Barrett purchased the estate. Jim fell in love with this exceptional property, blessed with a complex mix of soils, slopes and biodiversity of wildlife and fauna. He had a dream of creating wine at the level of the great First Growths of Bordeaux, and set about replanting the vineyard, outfitting the winery with modern equipment, and studying the processes necessary for farming and winemaking at the highest quality level.

### WINE

Zinfandel is California's heritage grape, and as anyone who has tasted long-lived examples from the 1970s knows, it can produce wines of tremendous quality, both immediate pleasure and age-worthiness, and all in a rich and spicy berry profile. Like every wine they produce, Montelena looks first and foremost to take the tremendous fruit they work with and transmit it in a complex, balanced package.

### VINEYARD

*Soils:* The decades old Zinfandel, planted in craggy volcanic soil, combined with 10-year-old vines in cobbly alluvial soil, produces a wine with complex character.

*Farming:* Chateau Montelena is committed to sustainable farming and produces wine in their solar powered winery.

### WINEMAKING

*Grape Varieties:* 100% Zinfandel

*Fermentation:* Temperature-controlled stainless steel tanks to allow the wines to ferment slowly and evenly.

*Aging:* French, Irish, and American oak barrels for 16 months, 20% of which are new.

*Alcohol:* 14.3% ABV

### VINTAGE

The Primitivo component of this blend tends to show best in moderately warm years and 2018 certainly qualifies. Ample sunshine and plenty of heat throughout the summer months favored uniform ripening and a purity of flavor. That consistency carried into harvest, allowing for small, targeted picks across vineyard blocks, capturing the complexity and elegance of this vintage.

### TASTING NOTES

"Brimming with fresh fruit, the aromas are dominated by ripe raspberry and cranberry, leaning southern Italian in style at first. However, after a few minutes, the Zinfandel component becomes more prominent and robust as blackberry jam, hoisin, and savory herbs appear, lending some allure as well as familiarity[...]The elegance of 2018 comes through immediately on the palate. Laser focused acidity and strawberry slowly merge with sweet baking spices, dried cherry and earth. The tannins are soft enough to balance the acidity without overwhelming the steady stream of candied fruit."-Winemaker Matt Crafton
